Dear Garrison:

Please let us
know you plan about
coming on. How much
shall we have of you
can be any - how long
can we stay with
us? The longer the
better. How much be
fore the time will
you come? If we
didnt hate to in
how in good nature
we should be inclined

to ask you to deliver a
lecture in the evening
views to the meeting.

Mr. McMillan & I
want you at our house
& Mr. & Mrs. North at
theirs. We shall have
to divide, & ^{each} take you
a part of the time.

I trust you are
well & that you will
keep so. We shall
have a nice meet-
ing.

With much love
to Mrs. Garrison I

am as an, allen
Garrison.

Yours truly

Wm. McKim
